At Denemeyer & Associates, we're more than just an IP law firm — we're your strategic partner, dedicated to maximizing your IP potential.

Our unique edge?
Tailored Luxembourg Filing Strategies,
designed to modernize your patent approach.

Your need: Obtain a granted patent in a European country quickly and at the lowest possible cost.

Our solution: Luxembourg Short-term patent (6-year duration)

Cost effective:

- (Optional/If required) Drafting: capped fee of EUR 3,000
- Filing: Fixed fee of EUR 869 (total cost incl. Official fee), from instruction to grant certificate

Easy:

- No prior art search needed
- No substantive examination
- Application can be filed in English, French or German language
- No (excess) claim fees

Quick:

- Grant approx. 6-8 months from filing

Ideal for:

- Incremental innovations or improvements that may not require long-term protection
- Startups / SMEs looking for a balance between protection and affordability, quickly gain market share or attract investment
- Companies seeking Luxembourg tax optimization

Your need: Obtain a robust and long-lasting protection in Europe and/or worldwide, while minimizing your costs.

Our solution: Search fee optimization through first filing in Luxembourg (20-year duration)

Cost effective:

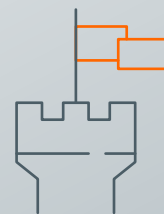

- Drafting: between €3,000 to 8,000
Filing: €1,400 fixed fee (incl. Official fee), from instruction to grant certificate
- Significant refunds of search fees in PCT (100%) and EP (84%) procedures
- A comprehensive EPO search report in 7-9 months from LU filing allowing strategizing and significant cost savings in later EP/PCT prosecution

Convenient:

- Application can be filed in English, French or German language
- No (excess) claim fees
- Patent examiner for LU national search likely the same in later PCT and/or EP procedures
- Consider withdrawing the LU application to save costs and prioritize the EP/PCT application

Fast and lasting results:

- Grant within approx. 18 months from filing date, possibility to request accelerated grant
- Protection for up to 20 years
